Peterhead Sailing Club and Aberdeenshire Sailing Trust will be hosting their annual regatta for school pupils (The Blue Toon Regatta for Aberdeen City and Shire Schools) on **Monday June 15th** this year. They will have up to 40 sailors afloat taking part in the 13th year of this annual event.

The event will run all day and they expect to be making preparations in the bay from approximately 10am with the first sailors on the water in time for an 11am start.

There will be a break for lunch between approximately 12:30 and 2pm when the afternoon activities will restart.

They will not be starting any races after 3:30pm and would expect all competitors to be off the water from 4pm at the latest.

There will be several safety boats in attendance, and vessel movements will be closely coordinated with VTS and where necessary the races paused for any critical vessel moves.
