

NOTICE TO MARINERS

PETERHEAD PORT AUTHORITY

CHARTED DEPTHS AND BERTH INFORMATION

Notice is hereby given, that the latest charted depths and quayside information can be found in the attached table below.

The restriction on Berth 6 have now been removed and is 6.1m.

The Latest Bathymetry charts will be uploaded to the website early next week.

The main area to note is the restriction on ASCO Berth 8. We have assessed this high spot and plan to remove the obstruction ASAP.

This notice replaces the notice issued 8th Dec 2025.

Marine Department
14th August 2026

Berth Details - Bathymetric Survey August 2026

(MHWS 3.8m above chart datum)
